Description

Hi Folks:

I'd like to talk to you about the so-called "robot rules" that we're proposing for establishing limits in the Idaho permits that meet Washington water quality standards. Please propose another time if the proposed time does not work for you, however, I would like to do this this week, if possible. I'd like to reach some kind of agreement on this before Friday, 10/29, when we have a settlement meeting with the plaintiffs.

Thanks,

Brian Nickel, E.I.T.
